
Changes to the main menu for Arsenal website

Posted by admin - 2007/10/27 12:34

Hi fellow Arsenal fans,

we just made some changes to the main menu at the homepage for easier navigation.

There's now the main menu, a menu for buy/sell of arsenal items/tickets and another media menu for gallery and videos.

If you noticed, we have also added a new buy/sell Arsenal items in the forum. You can post there if you have any items you want to buy or sell.

If you have any feedback, do let us know.

Just to add, we hope the tickets option will help all our friends here looking for tickets to soccer matches.

Go Gunners!!!
