
I can admit Arsenal played better football than us

in the 2 legs of the quarter final (which from a Liverpool fan is saying something), but does Wenger have to whine so much?

Anyway, the reason for the post is to see if anyone now has 2 spare CL Final tickets to sell and make a good (but not extravagant) profit - I will pay £500 over face value for a pair. Unlike the other thread, I'm a genuine fan and can send pics of me in Athens, Istanbul, Rome, but as Gooners, you don't want to be reminded of those I guess!

Good luck Sunday - all Scousers want Arsenal for the League!

You might want to check out this post.

There are some sellers.

There's also this site that is selling tickets.
