
Facts about Arsenal

Posted by Coolman!!! - 2008/08/02 15:23

Just read that we and another team are the only team that is not named after the area that our stadium is located.

Like Liverpool is located at liverpool and Newcastle is located at Newcastle.

Do you know the other team? ;)

hmmm... is this a trick question?
but good point, i cant think of the other team.
Does this extend to the lower leagues?
