
Can I change my time setting???

Posted by LittleTT - 2008/06/28 16:27

Hi admin,

now I want to change the time set in the forum..
how can I do that?
will it be changed if i change the countey?
I want to change the time to GMT...

Please suggest me..

thanks,
TT

Hi TT,

hmm..It appears the time settings can't be changed. I believe everyone sees the same timing as the forum pre-set.

I'm about to go off for a 10-day trip. Will investigate further for you when I'm back.

So sorry about it.
