I have one question. You must buy something to see the all stadium of Emirates? or how you can see it? I found on internet that some people had trip in Emirates and they could see whole stadium.

Please help.:)

hi horvat, you can call arsenal and they can arrange for you. I toured Highbury a few years ago. price is reasonable. 10 pounds or so (but i got in free due to a kind offer by David Dein)

I think you can do virtual tour online also. Check out the link at arsenal.com:
