Gilberto's been a tremendous supportive player on and off pitch by far. Last week, I heard 1 or 2 clubs is interested in him. If I was him, I would take some time and think carefully that if I continue to stay, will Wenger again made me look like a glass and warm up the bench?

I was very pleased by Gilberto's loyalty throughout the years in Arsenal but the way Wenger see things now, I doubt he'll be in the first team again.

Anyway, Good luck Gilberto Silva!!!!
