
19 Assists from Fabregas

Posted by Coolman!!! - 2008/05/19 16:53

Fabregas's 19 assists in this season is the leading number of assists in the league this season.

Most importantly, it was an improvement from 13 last season.

I believe next season it will definitely cross the 20 mark.

Well done, Fabregas!

Go Gunner!

yeahh..i'm happy for him as he's getting a paycheck rise..we all should be happy for him and arsenal..
Next season...we'll be the champs...
