Banjaluka, the capital of Republika Srpska, but since few people have heard of Republika Srpska, I'll say that Banjaluka is in Bosnia. B)

Bosnia and Herzegovina consists of two parts, entities, Republika Srpska and Federation of Bosnia and Herzegovina. They both have their own political structures, but they function as one country, it's politics, therefore not important.:) Hope i made it a bit clearer. And Banjaluka is full of beautifull girls, you should come and see! A pogotovo vi iz susjednih drzava bivse Juge!:laugh:
